▭ ABOUT ME

Recent graduate in Computer Science and Information Systems with a strong passion for software development and innovation. As a proactive and resourceful self-learner, I excel in tackling complex challenges, rapidly acquiring new technical skills, and adapting to emerging technologies. I am eager to contribute to cutting-edge projects that deliver impactful solutions.

I take pride in my ability to work independently while thriving in collaborative environments. I am enthusiastic about leveraging my technical expertise, innovative mindset, and passion for growth to join a forward-thinking company, contributing to meaningful projects that create value and make a difference.

🎓 EDUCATION
